RESPONSE TO RESTRICTION REQUIREMENT

Commissioner for Patents
P.O. Box 1450
Alexandria, VA 22313-1450

Sir:

In response to the Restriction Requirement, Applicants hereby elect Group I, claims 1-27. However, Applicants traverse the requirement. Specifically, the Office Action indicates that the process as claimed can be used with a different product such as cationic polymers or biguanides. However, this explanation is not understood in that the product identified in claim 28 is substantially the same as the product claimed in claim 1. Accordingly, the Examiner is respectfully requested to clarify the restriction requirement or withdraw the restriction requirement.

In the event that there are any questions concerning this response, or the application in general, the Examiner is respectfully urged to telephone the undersigned attorney so that prosecution of the application may be expedited.

Respectfully submitted,

BUCHANAN INGERSOLL PC
